NOTICE

The use of ICT facilitation such as Projectors, Computer, Visualizers etc are highly recommended in higher educational institutions for delivery of lectures and demonstrations of experiments. This is also given adequate weightage in NAAC accreditation process. All class rooms and some laboratories of the Department are ICT enabled which shall further be strengthened in near future. However, all teachers are not making use of these facilities for teaching. As such you are requested and encouraged to make maximum use of these facilities for delivery of lectures and conduct of laboratory demonstration wherever possible.
