Notice

Aimed at voter education, the University of Kashmir, under the Systematic Voters Education and Electoral Participation (SVEEP) programme of the Election Commission of India, has taken multiple initiatives towards spreading voter awareness and promoting voter literacy.

Among others, the University has decided that: "Every Head of Department shall ensure "Awareness Programmes" of short durations in respective departments where teachers shall inform the students about the need to participate in the upcoming elections in the interest of greater democracy."

Accordingly, all teachers are directed to inform the students about the need for participation in the upcoming elections during their classwork/laboratory sessions. The teachers may use appropriate material and details posted at <https://ecisveep.nic.in/> for the purpose.

Details of all such awareness sessions be provided to the undersigned with photographs/video for onward transmission to the officials/authorities of the University appointed to oversee these activities.
